Dear Ms. Wells:

Thank you for hosting an Oklahoma Blood Institute blood drive on Wednesday, June 2, 2010. It's vital to have strong community partners, such as Jerry Wells Memorial Scholarship Futurity, that see value in dedicating time to organizing blood drives and encouraging donations.

This is no ordinary community partnership. Among the 20 people who participated in your blood drive, 14 were able to donate. This means life-saving blood was provided to our neighbors, co-workers and family across Oklahoma with your support.

Again, we value this partnership and look forward to working together in the future in this local, life-saving mission.

Sincerely,

Shana Wood
